

Perennials Plant List 2023

As of 4/10/23

Disclaimer: All of the plants mentioned have been ordered. However, because of factors beyond our control, plant crops can fail or otherwise not be delivered, and we may not be able to offer all of the plants described here. The quantity may be limited.

We are aiming for a great variety with an emphasis on plants for sun and shade, containers, multi season bloom with plenty of native plants and plants for pollinators.
